TU TOWSON UNIVERSITY

COMMENCEMENT PROGRAM

**CLASS OF** 

2025

spring ceremony

#### **TO OUR GUESTS**

Commencement is the highlight of the academic year. It is that significant occasion, both solemn and joyful, when we honor those students who have completed their courses of study. Commencement is important to you, the university and its faculty, staff and students. While the university respects the rights of all to express their views, we require that any such expressions during these Commencement proceedings neither disrupt the ceremony nor prevent others from enjoying it.

#### LAND ACKNOWLEDGMENT

Towson University seeks to cultivate relationships with Native American and Indigenous communities and nations through academic pursuits, partnerships, historical recognitions, community service and enrollment efforts. These communities and nations include the Susquehannock, Nentego (Nanticoke) and the Piscataway people, who consider the land that the university currently occupies part of their ancient homeland. We hereby acknowledge the ground on which we reside so that all who come here know that we recognize our institutional history and our responsibilities to the peoples of that land and that we strive to address that history so that it guides our work in the present and the future. towson.edu/inclusionequity/diversity/ recognizing-indigenous-people-land.html

# **ALMA MATER**

Oh Towson, our alma mater Set up on the hill, Where bells of our Stephens Hall Ring proudly ever-still *Make more than your memories* Take the lessons learned They give us each our story As the pages turn From different paths we've come Down different paths we'll go With change and through time Our spirits grow Oh Towson, our alma mater Make your story told And find moments to look back To days of black and gold

# CONGRATULATIONS FROM PRESIDENT GINSBERG

Class of 2025:

On behalf of everyone at Towson University, I extend my heartfelt congratulations on reaching this incredible milestone.

Today's ceremony is a truly joyous occasion—for you and your classmates, your family and loved ones, our faculty and staff, and our entire university community. It is a celebration in recognition of all that you have achieved and all that you will accomplish in the future.

While Commencement marks the formal conclusion of your academic program at TU, I am confident that it is a step toward your continuing and life-long pursuit of knowledge. It has been said the most successful people never stop learning. Today will be the day that you launch your unwavering and unending commitment to your field of study, your career, your community and your family.

I hope you enjoy today and experience a sense of great pride, knowing you have gained the knowledge, skills and wisdom to overcome career and life challenges. You leave our campus well-prepared to make a difference in important and consequential ways. This is your charge: to help solve the problems of our time and to help make life better for us all.

You now become members of a distinguished group—Towson University alumni—joining more than 197,000 Tigers across the globe who are making a positive impact every day. I know you will carry on this legacy and show the world just what it means to be a Towson Tiger.

You have earned your stripes, and as you know, a Tiger never loses its stripes. Go forth with the knowledge and experience you've gained at TU, and continue to make us all #TUproud.

And always remember—let's roar together. Go Tigers!

Sincerely,

Mark R. Ginsberg, Ph.D.

President

# UNIVERSITY TRADITIONS

## Regalia

Commencement is both a celebration and an academic ceremony. As such, Towson University is guided by the Academic Costume Code as outlined by the American Council on Education (ACE). All Commencement participants are encouraged to maintain a measure of decorum consonant with the occasion.

The caps and gowns worn by degree candidates and faculty in the academic procession have been the traditional costume of the scholar since medieval times and probably represent an adaptation of the ecclesiastical dress since many of the scholars of that period were members of monastic orders.

The bachelor's gown is distinguished by its long pointed sleeves. The master's gown has longer, narrower closed sleeves, extending below the knee; the arm is passed through a slit at the elbow. Finally, the doctoral gown has a full bell-shaped sleeve with three bars of velvet and an opening faced with wide velvet bands. The velvet trim may be black or of a color indicating the field of learning of the wearer or the institution from which the wearer earned their highest degree.

At Towson University, graduate students also wear hoods on top of their gowns, trimmed in a colored velvet band to indicate the degree earned.

#### The Alma Mater

Two graduating students sing and sign the Towson University Alma Mater during every Commencement ceremony. The music was composed by J. Kyle Richards and orchestrated by Brian Balmages.

#### **Ceremonial Mace**

The ceremonial academic mace first appeared in European universities during the 14th century and was carried before royalty, mayors of cities and chief officers of the medieval universities. The academic mace represented the amalgamation of two much older pieces of history, the regal scepter and the medieval battle mace.

The mace is considered one of academia's most treasured symbols of office. It is a fitting symbol and combination of the requisite discipline and earned stature that comes with the academic achievement.

Towson's University's mace is beautifully constructed in glass, black metal, gold and maplewood coming together to represent institutional concepts and a visual history of the university. Our mace was commissioned and gifted by the late President Emerita Maravene Loeschke. It was designed and executed by four faculty members in the College of Fine Arts & Communication: Joshua DeMonte, Jenn Figg, Kimberly Hopkins and Jon Lundak.

#### **Gonfalons and Banner Carriers**

Gonfalons—also known as heraldic banners—are ceremonial banners carried on a long pole by students to represent each college, graduate studies and the Honors College. Gonfalons display the names of each college that represent different fields of study. Originally used in military and religious ceremonies, they have been a common part of educational celebrations since the Renaissance era. At Commencement, these banners line the stage, identifying the university's academic colleges and entities.

The academic mace is typically carried by a Grand Marshal into the ceremony to signify the start of the processional.

Presidential medallion bearing the university seal

International flags displayed on stage during Commencement

#### **International Flags**

The university is dedicated to cultivating a global learning community and international focus in programs and curricula. The flags displayed on stage during Commencement represent a sampling of the 72 home countries of our international students, faculty, exchange scholars and visiting faculty.

#### **Latin Honors**

Latin honors are awarded by college, to undergraduate students in the top 10% of their graduating class based on the cumulative grade point average of all coursework completed in residence at Towson University. In order to be eligible to earn Latin honors, students must have earned at least 56 units in residence at Towson University. Latin honors GPA cutoffs for each college are based on the top 10% of the students from the graduating classes of the previous academic year. Students with majors in two or more colleges earn the highest Latin honors for which they are eligible. Honors are evaluated after the ceremony and will appear on the transcript and diploma when awarded.

#### The Presidential Medallion

The medallion is circular, symbolizing the continuous impact that Towson University has in the lives of those who learn here. The outermost circle contains the university name and location. At the center is the university seal.

#### **University Seal**

The university seal is adapted from the reverse of the Great Seal of Maryland. At its center is an escutcheon, or shield, bearing the Calvert and Crossland arms quartered on an antiqued gold background. Above is an earl's coronet and the pennants. The university's founding year, 1866, is inscribed on a banner beneath.

## **Ceremony Etiquette**

Commencement at Towson University is a formal and friendly ceremonial occasion. To ensure that all participants and guests have a positive ceremony experience, we ask that everyone in attendance demonstrates courtesies and behaviors befitting the dignity of this formal academic and personal milestone. We encourage all participants and guests to refrain from engaging in any behavior that disrupts the ceremony or prevents anyone in attendance from hearing each graduate's name or seeing each graduate walk across the stage (e.g., audible private conversations, excessive and boisterous yelling, blocking the view of others).

## **For Degree Candidates**

- All degree candidates are expected to remain at their seats until the conclusion
  of the ceremony and may not leave before the final recessional.
- Candidates for bachelor's degrees, please note that the mortarboard should be worn
  so that it sits parallel with the ground, with the tassel hanging to the right. During
  the ceremony, the officiant will ask undergraduate degree candidates to move their
  tassels from the right front side of the mortarboard to the left as a mark of the official
  awarding of their degree. Master's and doctoral candidates should wear caps with the
  attached tassel hanging to the left.
- Please remain seated for the duration of the ceremony. Degree candidates will be directed to stand and exit the arena when appropriate.

#### **For Guests**

- · All seating in TU Arena is first-come, first-served, general seating.
- Guests are requested to remain in their seats during the ceremony and not congregate on the concourse. Guests should also not block the aisles or passageways by attempting to greet or take photos with degree candidates.
- Tripods and other photographic or video equipment may not be placed on the floor
  of the arena or in the aisles as doing so creates congestion in walkways that must
  remain clear for safety reasons.
- To allow for the names of all degree candidates to be heard by their family members and guests, we ask all audience members to be considerate of other graduates' guests by providing no more than 2–3 seconds of celebration or applause for their graduate. Guests who bring or use signs, fireworks, beach balls, balloons, air horns, bells or noisemakers will be asked to leave the arena.

# WELCOME FROM ALUMNI ASSOCIATION

The Alumni Association commends, congratulates and celebrates the Class of 2025 on this joyous occasion! We know that your unique experiences at TU will guide you in your future endeavors. We look forward to seeing the differences that you make in this world and hope that you will stay connected, informed and involved at TU. Congratulations!

# GRAND MARSHALS

The honor of serving as Grand Marshal is conferred upon a distinguished faculty member in the respective academic college.

# Pamela Lottero-Perdue, Ph.D., received a bachelor's in mechanical engineering in 1995, physics teaching certification in 1998 and a master's and doctorate in science education in 1999 and 2005, respectively—all from the University of Delaware. A former engineer and teacher, she joined TU's Department of Physics, Astronomy & Geosciences in 2006 where she has had the privilege of preparing future teachers to teach science and engineering. She studies how students learn from engineering design failure and how digital simulations can support teacher learning. She has received two University System of Maryland Board of Regents awards—for Excellence in Teaching and Public Service, respectively—and is an American Society for Engineering Education Fellow.

**Kathleen Ogle, Ph.D.,** has been a nurse for 55 years and nurse educator for 35 years. She received her doctorate in 2007 from University of Maryland, College Park and joined the Towson University Department of Nursing in 2008. Ogle is an associate professor and a certified nurse educator. She has been a family nurse practitioner for 30 years. As an educator, Ogle is recognized for her expertise in curriculum development, curriculum revision and program evaluation. She teaches students on the undergraduate and graduate levels.

Robert W. Blake Jr., Ph.D., is a professor in elementary education, with a doctorate in curriculum design from the University Illinois at Chicago ('95), a Master of Arts in Teaching (biology) from Brown University ('88) and a Bachelor of Science (BS) in biology from the State University of New York at Albany ('83). A former high school and middle school science teacher, Blake came to Towson University in 1997 as an assistant professor in elementary education (ELED) with the purpose of working with pre-service ELED teachers in science education. He has taught a wide array of undergraduate and graduate classes in the College of Education and the Jess and Mildred Fisher College of Science & Mathematics. He has served at all levels within the university and was elementary education department chair from 2012–20.

**Charles Schmitz, Ph.D.,** is specialist on the Middle East and Yemen. He served many years as president of the American Institute for Yemeni Studies, and he writes about contemporary Yemeni society and politics. Schmitz received all three of his degrees from UC Berkeley, including his doctorate in geography. At TU, he is chair of the Department of Geography, where he teaches economic geography, statistics and geography of the Middle East.

Daniel Ettinger has been teaching in the Department of Theatre Arts at Towson University since 1996. He came to TU after a 20-year career as a freelance scenic designer in the New York, Pennsylvania and Virginia regional theatre scenes, working as a member of United Scenic Artists—the union covering professional work in the theatre. Since joining TU, he has designed regional theatre productions in the tri-state area, including off-Broadway shows in New York; the Wooly Mammoth Theatre Company in Washington, D.C., the Olney Theatre Company; RepStage; and as a guest artist at UMBC. Ettinger is the resident scenic designer for the Everyman Theatre company in Baltimore. Over the course of his career, he has designed more than 400 productions as a scenic designer and occasionally working both as a lighting and costume designer. He received his MFA in theatre design from the University of Hawaii.

**Sharma Pillutla, Ph.D.,** has been a faculty member in the College of Business & Economics since he joined Towson University in 1993. During his tenure of more than 30 years at TU, he has served in a variety of roles including acting assistant dean and acting associate dean of CBE, the founding program director of the first completely online graduate program in integrated homeland security management and the founding chair of the Department of e-Business and Technology Management. Pillutla was instrumental in introducing multiple, new undergraduate and graduate programs as chair of the EBTM department.

# HONORS COLLEGE | SPRING 2025

The Honors College at Towson University provides an enhanced undergraduate experience for talented and high-achieving students. Honors College graduates have pursued scholarly opportunities including interdisciplinary seminars and research. Upon completion of 24 honors units and meeting grade point average requirements, graduates earn the designation of university scholar. This appears on each graduate's transcript and diploma.

Learn more about these university scholars by visiting **towson.edu/honorsconvocation**. All have a unique story forged from the desire to make the most of their time and the opportunities at Towson University. Like others before them who are now studying at Oxford, serving in the Peace Corps and working at top firms such as Brown Advisory, these individuals will pursue professional opportunities across the country and around the world. They will be leaders in business and industry, education, public service, social service and the arts. With their completion of rigorous academic and cocurricular experiences at TU, the university is proud and grateful to celebrate the successes of this accomplished group of students and alumni.

**Lauren Genovese**, known professionally as Lolo Gem, is an artist from Westchester County, New York. Utilizing saturated acrylic paint, drawing materials and ceramic sculpture, she creates playfully absurd works populated by fragmented figures, exuberant motion and personified objects. Her work engages with the complexities of the human psyche and the unconscious mind, exploring the tension between what is revealed and what remains obscured. By fusing nostalgic cartoon imagery with abstraction, she evokes a sense of comforting familiarity and allure, undercut by a lingering sense of uneasiness. While pursuing her MFA, Genovese worked as a graduate assistant for the campus art galleries, specializing in exhibition installation and art handling. She is also an adjunct professor at Towson University.

**Nguyên Khôi Nguyên** is an interdisciplinary artist and educator whose cartoons have been featured in The New Yorker and McSweeney's. He is the author of the Ignatz-nominated comic series, *The Gulf*, vocalist/pianist of the jazz trio, Superior Cling, and co-creator of the multimedia cooking website, Mom's Viet Kitchen. Nguyên is an assistant teaching professor of Digital Media at Loyola University Maryland. He is the recipient of the 2024 Baker Prize in Literary Arts, a Rubys Artist Grant, and an Independent Artist Award from the Maryland State Arts Council. Nguyên lives in Baltimore with his wife and son in a house that just turned 110.

**Cody Pryseski's** paintings explore childhood trauma in a cathartic and transformative way. By channeling trauma into symbolic imagery, he gains insight into how art evolves alongside personal healing. His work juxtaposes deconstructed figures and violent imagery against happier memories, creating a compelling visual dialogue. Each painting serves as a diary—a space for introspection, reflection, and transformation. Through this process, he aims to contribute to the broader conversation on art as a tool for navigating childhood trauma. He is also an adjunct professor at Towson University.

**Tara Youngborg** is a Maryland-based artist, educator, curator, and arts administrator. Her work uses digital media to create immersive video and audio installations that explore place, memory, and technology. Youngborg is the manager of the Stamp Gallery at the University of Maryland, College Park, where she directs the exhibition programming and advises the Contemporary Art Purchase Program. She has presented her work in solo exhibitions at the George Washington Carver Center for the Arts and the University of Mary Washington Media Wall, and in group exhibitions in the United States and abroad.

## **EVENT INFORMATION**

## **Bilingual Volunteers**

Volunteers who speak a language in addition to English will be wearing colorful buttons stating their additional fluency.

## **Ceremony Captioning Service**

Scan the QR code for access to ceremony captions directly on your phone. Please note: Because the number of downloads for this service is limited per ceremony, we ask guests to consider others who may need this service before downloading.

## **Ceremony Length**

Each ceremony lasts approximately 90 minutes to two hours, depending on the number of degree candidates in each ceremony.

## Concessions

Water is available free at concession stands (60 minutes before start of ceremony) that will remain open throughout the ceremony. Water may be taken to guest seats.

## **Degree Candidate Procession**

The degree candidates will be in alphabetical order when the procession enters the arena, alternating on each side. The JumboTron allows family and guests to see all candidates well, despite not knowing on which side they will enter the arena.

## **Emergencies**

Contact Office of Public Safety 410-704-4444 and/or 911. The location of TU Arena is 7500 Osler Drive or the following coordinates: 39.38980 -76.61565.

#### First Aid

A first aid station is located at section 102 in TU Arena. Please see a TU staff member for assistance.

#### Gifts

TU merchandise can be purchased outside of TU Arena before and after each ceremony.

## Lost and Found

Lost and found items can be claimed by contacting a staff member on the day of the ceremonies or after by calling the information desk of the University Union, 410-704-4636.

#### **Lost Child**

If a child has been separated from their family, immediately notify the nearest TU event staff member or police officer, who will attend to the child. TUPD can be reached at 410-704-4444.

## **Mobility Impaired Assistance**

**Seating:** These areas are located on the concourse level of TU Arena in the black club seats and are limited to the person with mobility impairment plus one guest. Guests in wheelchairs can be accommodated on the concourse level in sections 102, 106 and 110.

**Mobility Assistance Transport:** This service will be available to take those individuals in need of mobility assistance transport from the Towson Center lobby to TU Arena. Service will continue through and after the ceremony until all guests have been transported back to the Towson Center lobby.

**Shuttle Service:** Shuttle buses will run continuously between the Union Garage and the Towson Center 90 minutes before the ceremony, during the ceremony and for 90 minutes after each ceremony. Regular shuttle routes will not be in operation.

## Names are Meant to be Heard

At Commencement, we ask guests to be kind and courteous when you hear your student's name for the sake of our faculty, our friends, our families and our students. Please be respectful with applause so that all names can be heard at Commencement.

#### Restrooms

Restrooms are located throughout the concourse and behind sections 101, 105, 106 and 107. An all-gender bathroom is located near Room 211.

## Seating

Tickets are not assigned to specific sections of the arena. Seating is open on a first-come, first-served basis, with the exception of limited areas marked as reserved or for special needs.

## **Sensory-Friendly Resources**

Please ask an usher for assistance with sensory-friendly resources.

## Sign Language Interpreters

Sign language interpreters are located in section 104 of the arena. Anyone needing this service can go to section 104 and an usher will help seat you. Sign language interpretation will also be embedded in the ceremony live stream.

#### Social Media

Share how **#TUproud** you are of your graduate! Tag @towsonuniversity in your posts and follow along for ceremony updates.

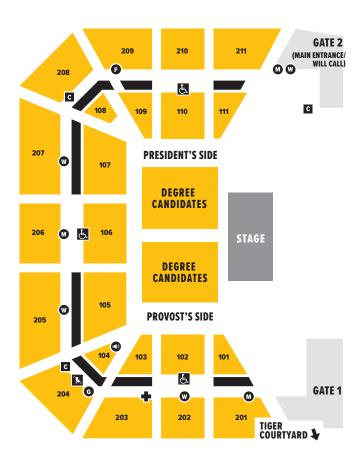

#### **Tickets**

All guests must have a ticket to enter. There will not be a Will Call.

## **Video Recordings**

All ceremonies will be streamed live. This will be done as it was in the past, which is an embedded video player at the top of **towson.edu/commencement**. In addition, TU will post all ceremonies in their entirety on YouTube within 48 to 72 hours.
