### COFAC Study Abroad/Away by Program Type AY 2024-25

"This experience meant so much to me. I truly believe I grew as a person and as a professor during my time in London. The chance to spend a good amount of time abroad reinvigorated me the way I think sabbaticals do for tenured faculty. As far as benefits to the students, ...it expanded their ideas about what they themselves were capable of and how far the world goes beyond the Towson University campus."

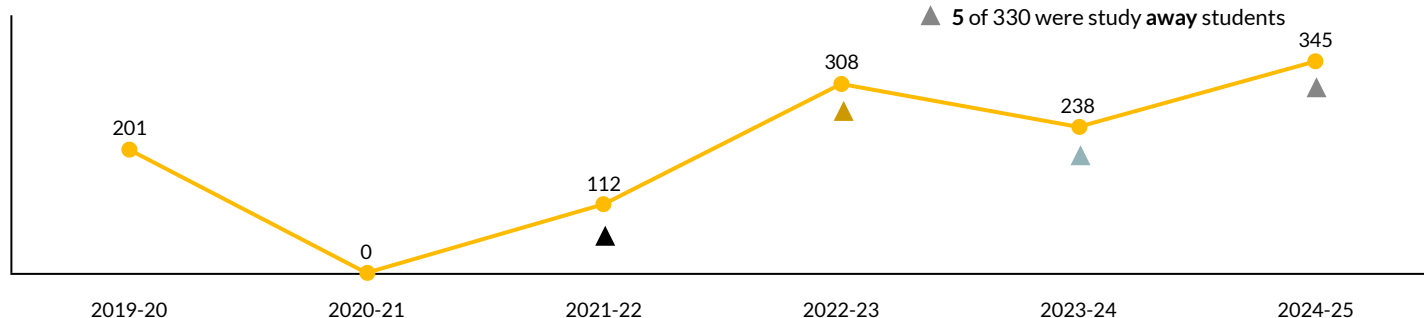

~ Prof. Jenny Atwater, Department of Mass Communication  
TU Corporate Communication in London, UK (Minimester 2023)
