Core Curriculum

Notes & Recommendations from Towson University:

- ☐ Core 1 at TU is automatically waived for all transfer students.
- ☐ *Students must follow the course selections outlined in this agreement. Failing to complete the specified courses will require them to fulfill remaining requirements at TU and could jeopardize their ability to earn a bachelor's degree within two years. Courses with the ♦ symbol are recommendations only; consult with advising for alternate options to complete all coursework within four years.
- ☐ Course equivalents ending in TLL are general lower-level elective coursework at TU. AACC students who qualify may take a higher MAT course to satisfy the Math General Education Requirement at AACC. Refer to the AACC catalog for guidance.
- ☐ Electives: AACC students may transfer a maximum of 15 COM credits towards TU's Communication Studies major. As a result, TU does not recommend taking additional COM courses as elective credit while attending AACC. At least 32 credits of major coursework and/or general electives must be upper-level (300-499) at TU. Recommended upper-level options are shown above.

Bachelor's degree requirements for all students:

- A cumulative grade point average (GPA) of 2.0 is required.
- A C grade (2.0 GPA) or higher is required for all major courses and prerequisites.
- 32 credits of the bachelor's degree must be completed at the upper level (courses numbered 300 or above) at TU
