

Associate-to-Bachelor's (ATB) Degree Completion Option – ATB 1.0: Frederick Community College & Towson University

General Information for the Primarily Online/Hybrid Model

I. General Program Information

This dual enrollment option is available to eligible students once they are accepted to the Frederick Community College (FCC) Nursing Program. Admission is competitive and based on completed courses and grade point average (GPA). Students will be dually enrolled as degree-seeking students at both FCC and Towson University (TU). ATB 1.0 students begin their TU courses in the first term of their FCC nursing program. Once they earn the Associate of Science (A.S.) degree at FCC, students must pass the NCLEX-RN licensure exam and receive their RN license to continue with their remaining coursework at TU to complete the Bachelor of Science (B.S.) degree.

Up to 90% of the TU curriculum may be completed online. The practicum in the final term (NURS 489) must be completed face-to-face (in person). Other courses are typically offered online; the availability of in-person or hybrid course formats may vary depending on student interest and enrollment.

The ATB option requires year-round attendance and takes approximately 2.5 years to complete. Program length is nine terms, including winter and summer sessions. FCC courses will be held at the FCC campus in Frederick, MD. TU courses will be taken online or at the main TU campus in Towson, MD.

Two degrees will be awarded: A.S. from FCC and B.S. from TU. Students must meet all program and degree requirements at both institutions to receive the respective degrees. Advisors will be available at both schools.

II. Program Admission Requirements

- A. Admission to the FCC Nursing Program (selective process based on courses completed, GPA, and TEAS score)
- B. GPA of 3.0 or higher in FCC required admission courses
- C. Additional required courses (completed by the start of the first nursing course) with a C (2.0) or better:
 - Chemistry (CHEM 101) – 4 credits (must include a lab)
 - Nutrition (NUTR 200) – 3 credits

Students must also complete a statistics course with a C (2.0) or higher before enrolling in the required nursing research course taken after completion of the associate degree. Students are strongly encouraged to complete this requirement prior to starting their nursing program. They may take FCC MATH 120 Statistics or MATH 200 Statistics with Probability.

III. General Application Procedures

Students must apply to both the FCC A.S. Degree Nursing Program and the TU ATB option by the programs' deadlines. Students who are admitted to the TU ATB option must also apply to Towson University in order to enroll in classes. The TU Department of Nursing will provide instructions to apply and enroll at the university if admission is offered.

Applying to FCC RN Program

See FCC application deadlines and procedures at <https://frederick.edu/programs/healthcare/nursing.aspx>.

Applying to TU ATB

Students must apply and submit all required materials by the deadline to be considered for ATB admission.

Application Deadline:

- Fall Start – June 3

Required Materials:

1. Department of Nursing Application for Admission: Associate to Bachelor's Degree Completion Option (ATB): <https://www.towson.edu/chp/departments/nursing/undergrad/degree-options/associate-to-bs/admissions.html>
2. \$50 non-refundable application fee – Submit upon completion of online application form.
3. Official transcripts from all colleges/universities attended – Submit to University Admissions (electronic transcripts preferred)
 - a. **Electronic transcripts:** Select "Towson University" in Parchment or other electronic transcript service
 - b. **Printed transcripts:** University Admissions, Towson University, 8000 York Road, Towson, Maryland 21252

Admission Decisions

The FCC and TU Nursing Departments will review completed applications for acceptance into the ATB option. Students will be notified by either email and/or letter with admission decision. TU will only release admission decisions once FCC has released their decisions. Students who do not receive admission to the FCC program will not receive a decision from TU.

IV. Tuition, Fees, and Financial Aid

Students will be charged tuition and fees based on the policies of each institution. Tuition and fees are subject to change each academic year. If students are using financial aid, it will be processed through the TU Financial Aid Office based on the total enrollment at both institutions. For the purposes of tuition and financial aid, students must be aware that the ATB plan of study involves part-time enrollment (less than 12 credits) for the majority of the program. More information is available online:

- FCC tuition and fees: <https://frederick.edu/financial-services.aspx>
- TU tuition and fees: <https://www.towson.edu/student-university-billing/tuition/>
- TU financial aid information: <https://www.towson.edu/admissions/financialaid/>

V. Non-Nursing Course Requirements

Requirements for the FCC Associate Degree RN Program	Additional Requirements for Admission to the TU Associate-to-Bachelor's Option	Additional Non-Nursing TU Requirements to Award the Bachelor of Science in Nursing
ENGL 101 College Composition 3 cr MATH Gen Ed Math* 3 cr COMM Speech/Communication 3 cr ARTT Arts Elective 3 cr PSYC 101 Intro to Psychology 3 cr SOCY 101 Intro to Sociology 3 cr EDPS 210 Human Growth & Dev 3 cr HUMN Humanities Elective 3 cr BSCI 201 A&P I 4 cr BSCI 202 A&P II 4 cr BSCI 223 Microbiology 4 cr PHED** PE/HLTH/NUTR Elective 3 cr	CHEM 101 General Chemistry 4 cr MATH 120 Statistics or MATH 127 Statistics with Probability 3-4 cr NUTR 200 Nutrition 3 cr Courses in this column can all be taken at FCC. All prerequisites must be completed with a C (2.0) or higher.	Upper-level healthcare ethics 3 cr Upper-level elective 3 cr These courses are not required for admission to ATB. They will be taken at TU during ATB. Students who have already taken an ethics course can take any upper-level elective. Healthcare-related courses are strongly encouraged. Course selection will be made with your TU ATB advisor.
*Students must take MATH 120 or higher at FCC. MATH 120 Statistics or MATH 127 Statistics with Probability is recommended to satisfy the TU ATB requirement. **Students must complete a 1-3 credit PE/HLTH/NUTR course for the A.S. degree. Students should take NUTR 200 Nutrition to meet the TU ATB admission requirement.		
Totals: 34 credits	11-12 credits	6 credits

V. ATB Program Progression

Students are required to meet regularly with their TU advisor to review their degree plan. Students must follow the TU ATB plan of study, which accounts for factors such as when courses are typically offered and course prerequisite sequences. They may consider taking the upper-level electives in another term only after meeting with their TU advisor.

The completion of the final courses of the ATB curriculum outlined in the plan of study requires successful completion of the A.S. degree and/or active RN licensure. Enrollment in NURS 476, NURS 484, and NURS 489 requires the completion of the A.S. degree. NURS 489 also requires RN licensure and completion of all other courses in ATB curriculum courses (with the exception of NURS 476, NURS 484, and upper-level electives which may be taken concurrently).

Disclaimer: Faculty at both Frederick CC and TU reserve the right to update curriculum plans in response to criteria set forth by accreditation bodies, best practices in nursing education, and the evolving needs of the health care system. The TU plan of study may be adjusted based on course availability and student enrollment needs.

Course Format Key

The letter behind a course title indicates that it can be offered in that format. Listing of multiple formats is not a guarantee that all formats will be available in a given term. Course format availability may vary depending on department resources and student enrollment needs.

- **Face-to-Face (F)** = 50% or more of the classroom activities are completed in an in-person classroom setting
- **Hybrid (H)** = 50% or more of classroom activities are completed in an online setting
- **Online (O)** = all class activities are completed in the online format
