

INST APPROVED UL ELECTIVES SPRING 2016

Courses listed below will qualify as upper level electives in the INST major for Spring 2016

READ THIS CAREFULLY!!!!

Please note that lower level language courses 202 and below, foundational and upper level intermediate courses, as well as research and practicum courses that qualify for the International Studies major are NOT listed below, they can be found in the course catalog for the university or on the International Studies website at www.towson.edu/inst . Note that some courses are used for both the upper level electives and upper level intermediate courses...you may not use the same course to fulfill both requirements in the major. In addition, many of these courses require prerequisite courses in their specific departments or that students are enrolled as majors in those departments. If this is the case, you must get the permission of the respective instructors or departments to enroll in these courses. Neither the Director of International Studies nor any International Studies advisor can add students to courses.

Please note that if you plan on doing an INST internship you must enroll in INST 493 and consult with Dr. Alison McCartney or Dr. Durlington prior to enrollment.

PLEASE make sure that if you are signing up for a topics course in a department such as ANTH 370 that you sign up for the specific course that qualifies for International Studies. Some departments will have multiple topics courses under the same course number with different sections. If you sign up for the wrong topics course in any discipline listed below the course will not be counted as a qualifying course for the International Studies major or minor.
