

## Department of Chemistry

# Research Mentors and Research Areas

The table below indicates which faculty members in the Department of Chemistry at Towson University are recruiting new undergraduate research students.

Last updated: October 15, 2024

Faculty Name	Research Area(s)	Actively recruiting new research students; email faculty member for details	No immediate openings, but email inquiries from interested students are welcome	Not currently accepting inquiries from prospective research students
<a href="#">Dr. Ryan Casey</a>	Environmental Chemistry and Toxicology		X	
<a href="#">Dr. Mary Devadas</a>	Nanomaterials Chemistry	X		
<a href="#">Dr. Kyle Edwards</a>	Inorganic Chemistry		X	
<a href="#">Dr. Kelly Elkins</a>	Forensic Chemistry and DNA analysis		X	
<a href="#">Dr. Stephen Hancock</a>	Protein Biochemistry and Phage Molecular Genetics	X		
<a href="#">Dr. Ellen Hondrogiannis</a>	Forensic Analytical Chemistry		X	
<a href="#">Dr. Beth Kautzman</a>	Environmental/Atmospheric Chemistry		X	
<a href="#">Dr. Shuhua Ma</a>	Computational Chemistry/Biochemistry	X		
<a href="#">Dr. Sonali Raje</a>	Chemistry Education – Assessment and Teacher Education		X	
<a href="#">Dr. Keith Reber</a>	Synthetic Organic Chemistry		X	
<a href="#">Dr. John Sivey</a>	Aqueous Environmental Chemistry		X	
<a href="#">Dr. Ana Maria Soto</a>	Biochemistry (RNA conformation)		X	
<a href="#">Dr. Shannon Stitzel</a>	Analytical Chemistry		X	
<a href="#">Dr. Courtney Thomas</a>	Chemistry Education		X	
<a href="#">Dr. Hoa Tran-Ba</a>	Physical Chemistry & Polymer Chemistry		X	
<a href="#">Dr. Cindy Zeller</a>	Forensic Molecular Biology		X
