

FINAL EXAMINATION SCHEDULE & GRADING FOR SPRING 2025

A message from Heather Sullivan, Registrar's Office:

Final Exams

The final examination period begins on Wednesday May 14th and ends on Tuesday May 20th. Please be sure to give final examinations according to the [Final Exam Schedule](#) to avoid exam conflicts. Instructors will work with students when overlapping off-matrix exams occur at the same time. Every class is expected to have a meeting during the final exam week.

Please visit the links below for more details regarding each option:

Grade Rosters

Grades are due by 11:59p.m. on Friday, May 23, 2025, and must be posted in PeopleSoft, not just BlackBoard (**3 days after the last day of finals**). To access PeopleSoft, please select "Towson Online services Faculty Center" from the [My TU](#) page and reference the [grade posting guide](#) as needed for assistance. Grades are needed to confirm graduation clearances and make decisions about academic actions such as Dean's List, suspension, and NCAA eligibility. Students need to know if they must register for summer classes to make up a deficiency. Keep in mind that students know when grades are due and have access to their grades via PeopleSoft.

If you have questions about final exams, grading, or grade rosters please contact Heather Sullivan at hsullivan@towson.edu.
