

Towson University Presidential Recognition

In honor of the newly established

Retired Faculty Association

On this 21st day of April 2015, the Office of the President is proud to officially welcome the Towson University Retired Faculty Association to the Towson University Community.

The Association has been established for an important purpose and mission:

The TU Retired Faculty Association offers an ongoing relationship between the University and its retired faculty members through opportunities to share information, experiences, scholarship, social interaction and to promote interaction between its members, the University, and its community.

We look forward to a long and productive relationship with this very special group of our esteemed and admired colleagues.
