

Fall & Spring Terms

Information about tuition and fees for undergraduate and graduate students.

Fall 2022 and Spring 2023 Rate Structures

Towson University has campuses and special programs across the state of Maryland and abroad, which affect the rate structure. Tuition and fees are assessed based on the class level (undergraduate or graduate) and which campus the class is held; not by the student career or where the student lives. The student career may be used for other special fees. Different rates may apply to special programs—see below. Lab/class fees apply to certain courses and the amount varies depending on the course. Audit courses are billed at the same rate as unit courses. A differential tuition cost will be added to applicable courses and/or programs.

Please note that Towson University reserves the right to make changes in tuition, fees and other charges at any time such changes are deemed necessary by the university and the University System of Maryland Board of Regents.

The University reserves the right to provide some or all instruction and related academic activities through alternative methods of delivery, including remote delivery. It also reserves the right to change the method of delivery before or during an academic term in the event of a health or safety emergency or other circumstance when it determines that such change is necessary or in the best interests of the campus community. Tuition and mandatory fees will not be reduced or refunded if the University changes the delivery method for any or all of an academic session.

GRADUATE STUDENT FEE UPDATE

Cap on Mandatory Fees

Beginning with the fall 2022 term, mandatory university fees for graduate students will be capped at 9 graduate units per term. This cap only applies to graduate-level courses. The technology fee will be capped at \$116 per term. Tuition will continue to be charged per unit. See the rate structure tables below for additional details.

Towson University In Northeastern Maryland Campus (Degree and Non-Degree)

Towson University charges reduced Athletics, Student Government Association and Auxiliary Services Fees for students taking units at the Towson University in Northeastern Maryland campus (TUNE). Regular tuition rates apply.

Students who carry less than a 12-unit load at TUNE and simultaneously take classes at other Towson campuses will be assessed fees according to the applicable per unit rate for each campus they attend. For example, you would pay fees for your units at TUNE at the TUNE per unit rate; plus pay fees for your units at the other campus according to the other campus' rate. The maximum fee charge per term is equal to the Towson main campus full-time fee rate.

Withdrawal Refund Policy – Second Seven-Week Session of Spring Term

Notification to the instructor does not constitute a proper withdrawal. The last date on which you withdraw online from a class determines the percentage of the refund. All refund percentages are based on the official start of the session. Students are considered full-time when carrying 12 units or greater; therefore, refunds apply only to unit loads under 12. The timing for effecting refunds is as follows:

- Through the end of the Change of Schedule period for the second seven-week session, 100 percent of tuition and fees shall be refunded to the student.
- Beginning with the first day after the end of the Change of Schedule period, no refund shall be issued.
 - The following fees are non-refundable, regardless of when a withdrawal takes place: late payment fee, room deposit fee, application fee, enrollment contract fee, closed contract fee, nursing deposit fee, study abroad/away fee.
 - In addition to the above fees, the following fees are non-refundable after the *official start of classes* for the term: housing charge, applied fees (private instruction, student teaching, clinical practicum, etc.), parking permit fee
 - In addition to the above fees, the following fees are non-refundable after the *official change of schedule* period for the term: athletic fee, Auxiliary Services fees, Student Government Association fee, technology fee, overload surcharge fee, course-based fees, student classification fee
 - The meal plan fee is prorated after the official change of schedule period.
