

COMMUNITY AGREEMENT 2019 – 2020

As residents of the Education Community you will connect with other members of the Towson University Community who are interested in pursuing a career in education. This community will provide social and academic support structures to enhance and enrich the experience for residents interested in early childhood, elementary, special, or secondary education. Residents will have the opportunity to participate in shadowing interns to learn about an education major, connect with students, faculty, and alumni, and complete community service activities.

EXPECTATIONS

The following are the expectations for students living in this Residential Learning Community:

- Students will be enrolled in and complete EDUC-203: Teaching and Learning in a Diverse Society in the fall term
- Students will be enrolled in and complete SPED 301: Introduction to Special Education in the spring term
- Students will participate in service opportunities driven by student interest and the College of Education
- Students will participate in programs sponsored by the Resident Assistant, fellow community members, and the College of Education

Housing & Residence Life values discovery of self, others, and the collegiate experience. It is encouraged that you are active and purposeful in your completion of the above expectations.

SIGNATURE

By signing this community agreement, I agree to work toward realizing all the listed expectations and actively participate in the Education Community events during the 2019-2020 academic year.
