**Image Block Left (w/Caption)**

Another option for using photography on your webpages is to place photos within a paragraph of text. The Image Block Left (w/Caption) allows you to add a photo that is left justified (placed on the left) with text that flows around the image. A very brief caption is also an option for this component. For more information see [Resizing In-Content Images \(PDF\)](#). Use web image code "ic."

Optional captions for this component should be brief.
